Dear Manny:

Thank you so much for bringing our old floors back to life. After 20+ years, 3 kids, 4 dogs and a lot of traffic, our hardwood floors looked pretty beat up. We are very pleased with how beautifully they turned out. From the first phone call, to the consultation and through the completion of the job, we have enjoyed the friendly and professional service we received. A special shout out to Mary for her thoroughness and prompt response to my (many) questions. She is wonderful to work with! Again, thank you for the great service!
