

October 28, 2018

Dear Manny,

Just wanted you to know how pleased we are with our new hardwood floor! It looks beautiful. The custom work on the steps and around the bay window turned out even better than we expected. We appreciated that you listened to what we wanted and then made suggestions on how it could be done. We also appreciated that you finished the job in a timely manner.

Sincerely,

Judy and Fritz Bartels
Joliet, IL
