To whom it may concern,

About one year ago we pulled up a stained and spoiled carpet in our fellowship hall. We call this area Holy Grounds. It is where we meet to drink coffee and visit with each other before and after church services.

It was decided that we would have the floor refinished instead of installing new carpet. We contacted M&M inc. and Manny came in a timely manner to begin work on the floors. There was an amazing transformation in the floor. After Manny finished it was as if the Holy Grounds floor had been born again. The wood is beautiful.

I recommend M & M for their good work. May God richly bless their work.

Yours in Christ,
