

Dear Manny,

This note of "my appreciation" is much
over due to you, and Tom of course!

Manny, I am so delighted with
my hardwood floors. They are so beautiful!
I have gotten many compliments, and
passing out your business cards, and
'bragging' about your workmanship, and
courteous service.

At this time, may you, Mary, and family
enjoy your new home with happiness, and good
fortune.

Thank you so -- much,
Kachie Balesteri
