

Manny,

Thank you for the beautiful job installing the hardwood floors in our living and dining areas.

It was a great experience to find someone who takes such pride in his work, demonstrates exceptional craftsmanship and delivers what is promised in a timely manner, all at a very reasonable price. We are very pleased with both the floor product and the job your crew did with the installation. I'd also like to add how surprised I was on how little "mess" was created during the entire process.

I will highly recommend you to friends and neighbors for the exceptional quality of your work.

Sincerely,

Mario and Cheryl Pacheco
