Hardwood Floors by Manny  
PO Box 602  
Manteno, IL 60950

Dear Manny:

Now that we are enjoying the hardwood floors that you and your crew installed in the three rooms last month, we want to thank you for a job well done.

From the first appointment when you helped choose the flooring and explained the process until the job was completed, you and your crew were just GREAT. Your work ethic, pride in your work and profession, and respect for the homeowner all were more than expected.

We would highly recommend you to friends and family for any hardwood flooring work.

Sincerely,

Brenda & Bruce Albers
