Hi, I just wanted to let you know how happy we are with the work Manny and Gustavo did at our new home. This is the second time we have had work done by Manny. The first time in our old home was so well done, we believe that it was a big part of our home selling in just one day! The 700sqft of wood just showed the house so well. When we purchased a new home we took out 1000sqft of carpet and immediately called Manny! He's done it again! Beautiful work! Worth every dollar! Please call Manny, you will be happy you did!
